Amendment to Cooperative Agreements with Non-Profit Agencies to Provide Senior Mobility Program Services

The Senior Mobility Program is designed to offer transportation alternatives to seniors in addition to local fixed-route and paratransit service. There are currently three non-profit agencies that participate in the Senior Mobility Program and receive funding from local sources other than Measure M2 to support the services. The current funding agreements with these three agencies require amendments to include fiscal year 2020-21 funding in order to continue the service.

- A. Authorize the Chief Executive Officer to negotiate and execute Amendment No. 7 to Cooperative Agreement No. C-1-2490 between the Orange County Transportation Authority and Abrazar, Inc., in the amount of \$91,989, to provide funding through June 30, 2021.
- B. Authorize the Chief Executive Officer to negotiate and execute Amendment No. 8 to Cooperative Agreement No. C-1-2491 between the Orange County Transportation Authority and Korean American Senior Association, in the amount of \$113,092, to provide funding through June 30, 2021.
- C. Authorize the Chief Executive Officer to negotiate and execute Amendment No. 6 to Cooperative Agreement No. C-1-2492 between the Orange County Transportation Authority and Southland Integrated Services, Inc., in the amount of \$99,441, to provide funding through June 30, 2021.
