Southern California Edison Charge-Ready Transport Program and Volkswagen Environmental Mitigation Trust for California

Southern California Edison has agreed to support the Orange County Transportation Authority with the infrastructure necessary to charge future heavy-duty battery-electric buses at the Garden Grove Bus Base. Additionally, the California Air Resources Board released the Volkswagen Environmental Mitigation Trust for California to support transit agencies in purchasing zero-emission buses. Board of Directors' authorization is necessary in order to proceed with each grant.

- A. Authorize the Chief Executive Officer to accept the Southern California Edison Charge-Ready Transport Grant award and negotiate and execute grant-related agreements and documents with Southern California Edison.
- B. Approve Resolution No. 2020-057 and authorize the Chief Executive Office to negotiate and execute grant-related agreements and documents with the California Air Resources Board for the Volkswagen Environmental Mitigation Funds.
- C. Authorize staff to make all necessary amendments to the Federal Transportation Improvement Program, as well as execute any necessary agreements to facilitate the recommendations above.
