Agreement for the Procurement of 40-Foot Plug-In Battery-Electric Buses

On April 27, 2020, the Orange County Transportation Authority Board of Directors approved the release of a request for quotes for the purchase of up to ten, 40-foot plug-in battery-electric buses. As a result, quotes from qualified vendors under the California Statewide Contract for Zero-Emission Transit Buses issued by the California Department of General Services have been evaluated. Board of Directors' approval is requested to award an agreement for the purchase of these buses.

Authorize the Chief Executive Officer to negotiate and execute Agreement No. C-0-2165 between the Orange County Transportation Authority and New Flyer of America, Inc., in the amount of \$10,373,230, for the purchase of up to ten 40-foot plug-in battery-electric buses.
