Amendment to Agreement for Mobile Ticketing Validators Extended Warranty Coverage Period

The Orange County Transportation Authority implemented the use of mobile ticketing validators to validate mobile fare media. This was done through the use of consultant resources for the initial installation of the validators, completed in 2018 and on-going technical and warranty support since that time. Staff is requesting Board of Directors' approval to exercise the first option term to extend warranty coverage for the validators for a one-year period.

Authorize the Chief Executive Officer to negotiate and execute Amendment No. 4 to Agreement No. C-6-0942 between the Orange County Transportation Authority and Init Innovations in Transportation, Inc., to exercise the first option term in the amount of \$136,608, for extended warranty coverage for mobile ticketing validators effective May 1, 2021 through April 30, 2022.
