### State Legislative Status Report

The Orange County Transportation Authority provides regular updates to the Legislative and Communications Committee on policy issues directly impacting its overall programs, projects, and operations. A position is recommended on legislation that would allow cities or counties eligible for local streets and roads funding to jointly propose projects for funding. An update is provided on fiscal year 2021-22 state budget discussions and the priorities being pursued by the Orange County Transportation Authority and its transportation partners.

Adopt a SUPPORT position on SB 640 (Becker, D-San Mateo), which would allow cities or counties eligible for local streets and roads funding to jointly propose projects for funding.
