Comprehensive Transportation Funding Programs Semi-Annual Review - March 2021

The Orange County Transportation Authority recently completed the March 2021 semi-annual review of projects funded through the Comprehensive Transportation Funding Programs. This process reviews the status of Measure M2 grant-funded projects and provides an opportunity for local agencies to update project information and request project modifications. Recommended project adjustments and a proposed Comprehensive Transportation Funding Programs Guidelines exception are presented for review and approval.

- A. Approve requested adjustments to Comprehensive Transportation Funding Programs projects, Local Fair Share, and Senior Mobility Program funds.
- B. Due to the impacts of the coronavirus, approve an exception to the Comprehensive Transportation Funding Programs Guidelines for Environmental Cleanup Program Tier I projects in order for project award delays to be granted.
