2021 Pavement Management Relief Funding Program for Local Agencies

The Coronavirus Response and Relief Supplemental Appropriations Act appropriated funding for Highway Infrastructure Programs to mitigate revenue loss due to the coronavirus pandemic. The Orange County Transportation Authority is authorized by the California Transportation Commission to direct the utilization of a portion of these funds. Recommendations are presented to allocate a portion of these funds to local agencies for streets and roads rehabilitation and maintenance.

- A. Approve the 2021 Pavement Management Relief Funding program guidelines and distribution of \$10.931 million federal funding.
- B. Authorize staff to make all necessary amendments to the Federal Transportation Improvement Program, as well as execute any necessary agreements to facilitate the recommendations above.
