SB 1 (Chapter 5, Statutes of 2017) State of Good Repair Claims for Fiscal Year 2021-22

The Orange County Transportation Authority is eligible to receive funding from the SB 1 State of Good Repair Program that is funded by the Transportation Improvement Fee on vehicle registrations. Funding recommendations for fiscal year 2021-22 were approved by the Board of Directors on August 23, 2021. Upon approval of the statewide list of fiscal year 2021-22 projects by the California Department of Transportation, the Orange County Transportation Authority must file claims on a quarterly basis to receive the funding.

Authorize the filing of SB 1 State of Good Repair claims, in the amount of \$6,393,649, or up to the actual allocation published by the State Controller's Office, to help sustain and upgrade the Orange County Transportation Authority's bus system.
