91 Express Lanes Update for the Period Ending - September 30, 2021

The Orange County Transportation Authority has owned and managed the operations of the 91 Express Lanes since January 2003. Since that time, traffic volumes and toll revenues have fluctuated with the changes in the economy, added capacity to the State Route 91 corridor, and the recent coronavirus pandemic. Over the last quarter, there were approximately 5.1 million trips taken on the 91 Express Lanes in Orange County. This report focuses on the operational and financial activities for the period ending September 30, 2021.
