### Capital Programming Policies Update

The Orange County Transportation Authority's Capital Programming Policies provide guidance on the use of local, state, and federal funds. Project-specific funding commitments are recommended to the Board of Directors based on these policies. This update captures recent changes in state policies for use of state-directed transportation funds as well as refinements to align existing policies to make the best use of funding opportunities. Updated policies are presented for review and approval based on recent state and federal actions, as well as other changes.
