### State Route 241/91 Express Lanes Connector Update

On October 28, 2019, the Orange County Transportation Authority Board of Directors approved a term sheet that serves as a framework for delivering a future direct, tolled connector linking the State Route 241 Toll Road to the 91 Express Lanes. Since the approval in 2019, staff from the Orange County Transportation Authority, Riverside County Transportation Commission, Foothill/Eastern Transportation Corridor Agency, and the California Department of Transportation have been meeting regularly to advance the project to construction, traffic analysis continues to be performed, and a major milestone was achieved with the design submittal package being provided to various agencies for review.
