6/8/2022	1	Finance and Administration Committee	approved for the Board - Consent	Pass

### Environmental Mitigation Program Endowment Fund Investment Report for March 31, 2022

The Orange County Transportation Authority has developed a Natural Community Conservation Plan/Habitat Conservation Plan, acquired conservation properties, and funded habitat restoration projects to mitigate the impacts of Measure M2 freeway programs. The California Community Foundation manages the non-wasting endowment required to fund the long-term management of the conservation properties. Each quarter, the California Community Foundation publishes a comprehensive report detailing the composition of the pool and its performance.
