### October 2022 Bus Service Change

#### Overview

The proposed October 2022 bus service change includes the implementation of a new limited stop service on Main Street, minor schedule adjustments, and winter seasonal service changes to improve service quality and reliability. The proposed changes do not require an adjustment to the overall level of service hours and set the stage for further improvements as part of the Making Better Connections Program.

#### Recommendation

Approve the October 2022 bus service change and direct staff to begin implementation.
