Orange County Transportation Authority Natural Hazard Mitigation Plan

Overview

As part of a comprehensive emergency management program, the Orange County Transportation Authority has developed a Natural Hazard Mitigation Plan. This plan evaluates natural hazard impacts to the Orange County Transportation Authority's operations and provides mitigation strategy recommendations to reduce or eliminate risks from those identified hazards.

Recommendations

- A. Adopt the Orange County Transportation Authority Natural Hazard Mitigation Plan, as approved by the California Office of Emergency Services and the Federal Emergency Management Agency.
- B. Direct staff to implement the annual Natural Hazard Mitigation Plan review to ensure the plan remains accurate and in compliance with state and federal regulations.
- C. Direct staff to update the Natural Hazard Mitigation Plan every five years to maintain compliance with the state and federal agency requirements.
