Agreement for Demographic Research

Overview

Orange County's demographic data is developed by the Center for Demographic Research at California State University Fullerton and used for various planning activities. A recommendation to continue this effort through a multi-agency funding agreement is provided for review and approval.

Recommendation

Authorize the Chief Executive Officer to negotiate and execute Agreement No. C-3-2445 with the California State University, Fullerton Center for Demographic Research, in an amount not to exceed \$405,743, for a term of three years, to provide Orange County demographic data.
