Amendments to Cooperative Agreements with Special Agencies for the Provision of Transportation Services

Overview

The Orange County Transportation Authority contracts with six agencies to help manage the demand for OC ACCESS service. On October 22, 2018, the Board of Directors approved five-year cooperative agreements with six agencies to provide this transportation service. These cooperative agreements are to be amended each year to adjust the per trip reimbursement rate and the maximum obligations. Board of Directors' approval is requested to amend the cooperative agreements with five special agencies for the continued provision of transportation services.
