Guidance for Administration of the Orange County Master Plan of Arterial Highways Related to Complete Streets

In September 2016, Orange County Transportation Authority staff convened an ad hoc committee comprised of volunteer members from the Technical Advisory Committee (and/or their designees) to discuss complete streets implementation and the Master Plan of Arterial Highways. The proposed revisions expand allowances for traffic calming measures on Master Plan of Arterial Highways facilities and clarify which types of traffic calming measures are permitted.

Approve proposed revisions to the Guidance for Administration of the Orange County Master Plan of Arterial Highways.
