### **Award of Agreement for Engine Installation Kits**

The Orange County Transportation Authority currently operates 97 New Flyer compressed natural gas-powered buses which are eligible for a midlife bus engine overhaul. The award of an agreement for the engines has already been approved by the Board of Directors. The replacement engine requires additional components for the new configuration and installation. Staff is requesting approval to execute an agreement for this purchase.

- A. Approve the selection of Complete Coach Works as the firm to provide the engine installation kits.
- B. Authorize the Chief Executive Officer to negotiate and execute Purchase Order No. C-7-1507 between the Orange County Transportation Authority and Complete Coach Works, in the amount of \$3,091,616, for engine installation kits.
