

Consultant Selection for the Systemic Safety Analysis Report

Consultant services are required to develop the Systemic Safety Analysis Report. This plan will evaluate bicycle and pedestrian related collisions, and will identify potential solutions to improve safety. Proposals have been received and evaluated in accordance with the Orange County Transportation Authority's procurement procedures for architectural and engineering services. Board of Directors' approval is requested for the selection of a firm to perform the required work.

- A. Approve the selection of Fehr & Peers as the firm to develop the Systemic Safety Analysis Report.
- B. Authorize the Chief Executive Officer to negotiate and execute Agreement No. C-7-1523, between the Orange County Transportation Authority and Fehr & Peers, to develop the Systemic Safety Analysis Report.
