

File #: 17-627, **Version:** 1

Measure M2 Environmental Mitigation Program Update

Measure M2 includes a program to deliver comprehensive mitigation for the environmental impacts of freeway projects in exchange for streamlined project approvals from the state and federal resources agencies. To date, the Environmental Mitigation Program has acquired conservation properties and provided funding for habitat restoration projects. A status report on the draft Natural Community Conservation Plan/Habitat Conservation Plan and accompanying environmental impact report/environmental impact statement is presented.
