### **Regional Planning Update - Greenhouse Gas Target Review**

Regional planning updates are provided periodically to highlight transportation planning issues impacting the Orange County Transportation Authority and the Southern California region. This update focuses on draft greenhouse gas reduction targets currently proposed by the California Air Resources Board. Once finalized, the Southern California Association of Governments is required to address them as part of the 2020 Regional Transportation Plan and Sustainable Communities Strategy. A discussion of the Orange County Transportation Authority's concerns and actions to date is provided for informational purposes.
