Federal Transit Administration Grant Authorization Renewal

The Orange County Transportation Authority, as a direct recipient of federal transit funding, is required to have an authorizing resolution on file with the Federal Transit Administration. A renewed resolution has been requested by the Federal Transit Administration's Region IX office, which authorizes the Chief Executive Officer, or designee, to apply for and receive federal transit funds and execute grant-related agreements.

Adopt Orange County Transportation Authority Resolution No. 2017-064 authorizing the Chief Executive Officer, or designee, to file applications and execute grant-related agreements with the Federal Transit Administration.
