OC Bus 360° Update

The Orange County Transportation Authority is implementing a comprehensive effort to reposition the bus system in response to changing market conditions. The goals are to reverse ridership declines by reducing passenger travel times, improving travel speeds, and designing services to benefit existing customers and attract new customers. A status report on major OC Bus 360° elements is presented for review.

Direct staff to request letters of interest from local agencies related to a future Project V call for projects, and return with an update in January 2018.
