Award of Agreement for Three-Position Bicycle Racks for 40-Foot Buses

The Orange County Transportation Authority operates a fixed-route fleet of 484 40-foot compressed natural gas-powered buses. Approval is requested to execute an agreement for hardware and installation of up to 484, three-position bicycle racks on the buses in the fleet.

- A. Approve the selection of Complete Coach Works to provide hardware and installation of up to 484, three-position bicycle racks, with the option to purchase up to 73 additional units as needed.
- B. Authorize the Chief Executive Officer to negotiate and execute Agreement No. C-7-2136 between the Orange County Transportation Authority and Complete Coach Works in the amount of \$745,592, for the purchase and installation of up to 484, three-position bicycle racks, with an option to purchase 73 additional units as needed.
