The Orange County Transportation Authority issued the 2018 Measure M2 Project V call for projects for community-based transit circulators on February 12, 2018. Applications have been received and scored consistent with the Board of Director's approved Comprehensive Transportation Fund Programs Project V Guidelines. Projects recommended for funding are presented for review and approval.

- A. Approve programming recommendations for Project V funding, in an amount not to exceed \$5,153,664, plus inflationary adjustments, for five local agency projects submitted under capital and operating reserve categories.
- B. Approve programming recommendations for Project V funding, in an amount not to exceed \$1,649,700, plus inflationary adjustments, for the City of San Clemente's Rideshare Beta Test Expansion Program, contingent upon receipt of ridership and usage documentation. If this documentation is not provided by August 2018, and it is not consistent with the Orange County Transportation Authority's minimum performance requirements, direct staff to return with an update and revised programming recommendation.
- C. Direct staff to work with the City of Laguna Niguel on route and operational refinements and return at a later date with a final recommendation on the City of Laguna Niguel's proposed Project V service, if appropriate.
- D. Authorize staff to execute cooperative funding agreements with appropriate local agencies.
