Amendment to Agreement for the Development, Hosting, License, and Maintenance of a Mobile Ticketing Application

On July 13, 2015, the Board of Directors approved Agreement No. C-5-3244 with moovel North America, LLC, to develop a mobile ticketing application that provides the ability to purchase and display fare products from smart phone devices. An amendment to the existing contract is needed to add functionality to the current mobile ticketing application to administer and distribute bus passes for employer and university programs.

Authorize the Chief Executive Officer to negotiate and execute Amendment No. 5 to Agreement No. C-5-3244 between the Orange County Transportation Authority and moovel North America, LLC, in the amount of \$160,000, to add functionality to the current mobile ticketing platform to administer and distribute employer and university program bus passes. This will increase the maximum obligation of the agreement to a total contract value of \$783,209.
