Agreement for Data Center Colocation Services

The Orange County Transportation Authority requires a firm to provide data center colocation services for the hosting of the Orange County Transportation Authority's business application computing infrastructure. A competitive procurement has been conducted and offers were received in accordance with the Orange County Transportation Authority's procurement procedures for professional and technical services. Board of Directors' approval is requested to execute an agreement for these services.

- A. Approve the selection of Switch Ltd., as the firm to provide data center colocation services for the hosting of the Orange County Transportation Authority's business application computing infrastructure.
- B. Authorize the Chief Executive Officer to negotiate and execute Agreement No. C-8-1507 between the Orange County Transportation Authority and Switch Ltd., in the amount of \$623,820, for a five-year initial term, with one, three-year option term to provide data center colocation services.
