91 Express Lanes Corona Customer Service Center Construction Update

In May 2018, the Orange County Transportation Authority Board of Directors approved a ten-year lease agreement with the Riverside County Transportation Commission for 5,009 square feet of space, as well as tenant improvement cost sharing, at a facility owned by the Riverside County Transportation Commission. The leased space will accommodate the 91 Express Lanes walk-in customer service center and call center, and the facility will be shared with the Riverside County Transportation Commission. Construction is currently underway and the space is anticipated to be ready for occupancy in the first quarter of 2019.

Authorize additional funding for Agreement No. C-8-1660 with Riverside County Transportation Commission to cover the additional tenant improvement costs for the 91 Express Lanes Corona Office, located at 301 Corporate Terrace Circle, Corona, California, in an amount not to exceed \$365,000, which represents Orange County Transportation Authority's share of the additional costs.
