### **Amendment to Agreement for Regional Modeling and Traffic Operations Support**

On April 10, 2017, the Orange County Transportation Authority Board of Directors approved an agreement with W.G. Zimmerman Engineering, Inc., to provide traffic engineering services in support of the Measure M2 Regional Traffic Signal Synchronization Program for a two-year initial term and one, two-year option term. An amendment to the existing contract is necessary to exercise the two-year option term of the agreement.

Authorize the Chief Executive Officer to negotiate and execute Amendment No. 1 to Agreement No. C-6-1493 between the Orange County Transportation Authority and W.G. Zimmerman Engineering, Inc., in the amount of \$400,000, to exercise the two-year option term of the agreement through April 30, 2021, to provide on-call support for regional modeling and traffic operations on an as-needed basis. This will increase the maximum obligation of the agreement to a total contract value of \$800,000.
