Measure M2 Performance Assessment Report

On November 7, 2006, Orange County voters approved the Renewed Measure M2 Transportation Ordinance and Investment Plan, now referred to as Measure M2. Ordinance No. 3 implements Measure M2 and requires specific safeguards and requirements that are to be followed. Included is a requirement for a performance assessment to be conducted every three years to evaluate the efficiency, effectiveness, economy, and program results of the Orange County Transportation Authority in delivering Measure M2. The fourth of these performance assessments, covering the period of July 1, 2015 through June 30, 2018, has been completed, and a report on the findings is presented.

Direct staff to implement the action plan outlined in the response to findings and to report back on the implementation progress to the Board of Directors in the Measure M2 quarterly reports.
