

Orange County Transportation Authority

Legislation Text

File #: 19-1872, **Version:** 1

State Legislative Status Report

Overviews are provided of three bills where positions were taken pursuant to the 2019-20 Orange County Transportation Authority State Legislative Platform. A summary is also provided on a bill related to the planning and operations of the network of toll roads in Orange County. An update is provided on a legislative hearing on the high-speed rail project.
