Agreement with the California Highway Patrol for Enforcement Services on the 91 Express Lanes

The Amended and Restated Development Franchise Agreement, entered into between the California Department of Transportation and the California Private Transportation Company, requires the California Highway Patrol to provide enforcement services on the 91 Express Lanes. With the purchase of the 91 Express Lanes, the Orange County Transportation Authority assumed all agreements from the California Private Transportation Company. The California Highway Patrol is requiring a new agreement to be established with the Orange County Transportation Authority for toll and traffic enforcement services on the 91 Express Lanes.

Authorize the Chief Executive Officer to negotiate and execute Agreement No. C-9-1172, between the Orange County Transportation Authority and California Highway Patrol, for a contract term of ten years, in an amount not to exceed \$12,326,335, for toll and traffic enforcement services on the 91 Express Lanes.
