### **Agreement for the Intelligent Transportation Management System Integration and Engineering with the OC Streetcar Vehicles**

The Orange County Transportation Authority utilizes an Intelligent Transportation Management System to provide dispatch communications, vehicle locators, data interface, and other services for the county-wide bus system. To support and maintain one integrated system, there is a need for software, hardware, and engineering services to integrate the OC Streetcar vehicles into this system. A proposal was solicited and received from Conduent Transport Solutions, Inc., in accordance with the Orange County Transportation Authority's sole source procurement procedures for professional and technical services.

Authorize the Chief Executive Officer to negotiate and execute sole source Agreement No. C-9-1192 between the Orange County Transportation Authority and Conduent Transport Solutions, Inc., in the amount of \$2,719,650, for the integration of the OC Streetcar vehicles into the existing Intelligent Transportation Management System.
