### **Framework for Implementation of the State Route 241/91 Express Lanes Connector**

The Orange County Transportation Authority, Riverside County Transportation Commission, Transportation Corridor Agencies, and California Department of Transportation have been working to resolve outstanding issues related to the implementation of a future direct, tolled connector linking the State Route 241 toll road to the 91 Express Lanes. The agencies have reached consensus on terms for future implementation of the connector project. Recommendations are presented to move the project forward, contingent on all parties agreeing to terms that will be incorporated into future agreements.

- A. Approve the State Route 241/91 Express Lanes Connector term sheet as a framework for future agreements, contingent on all parties agreeing to the term sheet.
- B. Direct staff to work with agencies to prepare associated agreements for Board of Directors' consideration, consistent with the terms included in this report.
