### **Approval to Release Request for Proposals for On-Call Right-of-Way Support Services for Capital Improvement Projects**

The Orange County Transportation Authority has developed a request for proposals to initiate a competitive procurement process to retain an on-call consultant for right-of-way services for all future Capital Programs Division projects.

- A. Approve the proposed evaluation criteria and weightings for Request for Proposals 9-1613 for selection of consultant services for on-call right-of-way support services for capital improvement projects.
- B. Approve the release of Request for Proposals 9-1613 for on-call right-of-way support services for capital improvement projects.
