

Orange County Transportation Authority

Legislation Text

File #: 20-2371, **Version:** 1

Agreement with the Transportation Security Administration

Since 2011, the Transportation Security Administration has provided funds to support the operation of three canine teams assigned to the Orange County Transportation Authority's Transit Police Services under the National Explosives Detection Canine Teams Program. Board of Directors' approval is requested to continue to receive these funds through December 2024.

Approve the Other Transaction Agreement between the Orange County Transportation Authority and the Transportation Security Administration for participation in the National Explosives Detection Canine Teams Program, allowing the Orange County Transportation Authority to receive up to \$757,500 over a period of five years to support the three Transportation Security Administration-certified explosives detection canine teams assigned to the Orange County Transportation Authority Transit Police Services.
