

Orange County Transportation Authority

Legislation Text

File #: 20-2479, **Version:** 1

Federal Legislative Status Report

Principles are proposed in preparation for surface transportation reauthorization discussions. Updates are provided on the reauthorization process, an effort to support federal grant awards to Orange County, and a hearing on rail grade crossing safety.

Adopt the proposed Principles for Surface Transportation Reauthorization Legislation and direct staff to take necessary and appropriate actions in furtherance of these goals in Washington, D.C.
