Recognition of the Orange County Transportation Authority's 2019 Summer College Intern Program

The Orange County Transportation Authority's (OCTA) Summer College Intern Program is a ten-week summer program for students enrolled full-time in an accredited college program. The program helps college students develop workplace readiness skills, gain work experience, and exposure to the transportation industry. This summer, OCTA is hosting 14 college students from throughout the United States who are working in a variety of departments throughout the Authority. Twelve will be attending the July 22, 2019, Board Meeting. The Chief Executive Officer, Darrell E. Johnson, will introduce the participants to the Board of Directors.
