### **Coronavirus (COVID-19) Update**

The Orange County Transportation Authority is continuing to actively respond to the public health emergency caused by the novel coronavirus pandemic and closely monitor the related transportation implications. Following directions issued by Governor Gavin Newsom and county public health officials, the Orange County Transportation Authority has implemented its Emergency Operations Plan and taken steps to ensure the health and safety of the public and Orange County Transportation Authority employees. Additionally, efforts are underway to plan for short- and long-term impacts on projects, programs, and services provided to the public. An overview and update on these efforts are presented.
