91 Express Lanes Update for the Period Ending - March 31, 2020

On a quarterly basis, a 91 Express Lanes informational report is provided to the Orange County Transportation Authority Board of Directors. The report focuses on traffic and revenue performance, toll adjustments, account and transponder changes, outstanding debt, and recent events. This report provides a summary for the operational and financial activities for the period ending March 31, 2020, and includes the initial impacts of the novel coronavirus pandemic.
