2020 Project X - Environmental Cleanup Program Tier 1 Call for Projects - Programming Recommendations

The Orange County Transportation Authority's Environmental Cleanup Program provides Measure M2 funding for water quality improvement projects to address transportation-related pollution. The fiscal year 2020-21 Tier 1 Grant Program call for projects was issued on March 9, 2020. Evaluations are now complete, and a list of projects and recommended funding allocations are presented for review and approval.

Approve 12 projects, in the amount of \$2,800,000, for the 2020 Tier 1 Environmental Cleanup Program Tier 1 call for projects.
