Fullerton Park-and-Ride Joint Development Study

The Orange County Transportation Authority initiated a study in the summer of 2018 to explore joint development opportunities at the Fullerton Park-and-Ride facility. This study analyzed conceptual scenarios, representing a range of land-use mixes to determine if further study and outreach are merited. The analysis and next steps are presented for Board of Directors' consideration.

Direct staff to work with the City of Fullerton and stakeholders to further explore joint development opportunities at the Fullerton Park-and-Ride facility.
