South Orange County Projects Update

The Transportation Corridor Agencies and the California Department of Transportation concluded a study of toll road expansion options in south Orange County in March 2020. Based on technical work, public input, and policy direction, three alternatives were identified to move forward in the project development process. These included a non-tolled extension of Los Patrones Parkway from Cow Camp Road to Avenida La Pata, widening of Ortega Highway between Calle Entradero to Reata Road, and extension of the Interstate 5 carpool lane from Avenida Pico to the San Diego County line area. Other future projects will be considered as part of the Orange County Transportation Authority's comprehensive South Orange County Multimodal Transportation Study. A status report on these efforts is presented for information purposes.
