Award of Agreement for the Purchase of Battery Chargers for 40-Foot Plug-In Battery-Electric Buses

The Orange County Transportation Authority Board of Directors approved the purchase of ten battery-electric buses for use as a pilot for operation of OC Bus fixed-route service. Charging the buses will require a combination of electrical infrastructure provided by Southern California Edison through the Charge Ready Transport Program and battery chargers secured through a separate procurement. Staff is requesting Board of Directors' approval to award an agreement for battery chargers necessary to support the battery-electric bus pilot.

- A. Find La Marche Manufacturing Co. and Siemens Industry Inc., the apparent low bidders, as non-responsive for failure to bid on approved equipment that meets the technical specifications as identified in the invitations for bid.
- B. Authorize the Chief Executive Officer to negotiate and execute Agreement No. C-0-2731 between the Orange County Transportation Authority and One Source Distributors, in the amount of \$863,079, to provide ten battery chargers for 40-foot plug-in battery-electric buses.
