Amendment to Agreement for Information Technology Contract Technical Staffing

On January 22, 2018, the Orange County Transportation Authority Board of Directors approved an agreement with Intratek Computer, Inc., to provide contract staffing services for information technology technical positions for a five-year term. An amendment is required to increase the maximum cumulative payment obligation to continue services due to increased workload requirements to replace three major systems.

Authorize the Chief Executive Officer to negotiate and execute Amendment No. 3 to Agreement No. C-7-1949 between the Orange County Transportation Authority and Intratek Computer, Inc., in the amount of \$1,492,292, to continue providing contract staffing services for information technology technical positions. This will increase the maximum cumulative obligation of the agreement to a total contract value of \$12,760,052.
