### **Comprehensive Transportation Funding Programs Semi-Annual Review - March 2022**

### ***Overview***

The Orange County Transportation Authority recently completed the March 2022 semi-annual review of Comprehensive Transportation Funding Programs projects. The review focused on the status and delivery of Measure M2 grant-funded projects and provided an opportunity for local agencies to update project information and request modifications. Staff has evaluated the requests, and the recommended project adjustments are presented for review and approval.

### ***Recommendation***

- A. Approve requested adjustments to Comprehensive Transportation Funding Programs projects and Local Fair Share and Senior Mobility Program funds.
- B. Due to the unique circumstances created by the coronavirus, approve an exception to the Comprehensive Transportation Funding Programs guidelines for Environmental Cleanup Program Tier I projects in order for project award delays to be granted.
