Subject

Proposed Revisions to Orange County Transportation Authority's Procurement Policies and Procedures

Overview

The Orange County Transportation Authority Board of Directors has adopted policies and procedures that guide all procurement activities. The Board of Directors periodically reviews these policies and procedures and may make changes as necessary in an effort to conform to changing business needs while continuing to ensure procurements are conducted in a fair, transparent, and equitable manner for all vendors and provide for the best value and use of taxpayer dollars.

Recommendation

Adopt the proposed revisions to the Orange County Transportation Authority's Procurement Policies and Procedures and authorize staff to implement the recommended changes.
