VOLKSWAGEN GROUP OF AMERICA FINANCE LLC

\$	6,275,000	8/14/2026	BBB+	Baa1	A-
----	-----------	-----------	------	------	----

On March 17, 2025, Volkswagen's unsecured debt and that of its subsidiaries were downgraded by Moody's from A3 to Baa1 with a stable outlook. The downgrade reflects concerns about Volkswagen's ability to navigate significant industry headwinds over the next 12–18 months, including pricing pressure, EV transition challenges, and fierce competition in China. These pressures, combined with declining margins and cash flow, come as the company undertakes a major cost-cutting program to restore profitability. Despite this change, the security remains compliant with the Investment Policy. The investment manager recommends holding the securities, maintaining a positive outlook on credit profile and robust liquidity.

- Rating below minimum requirements:

KEYBANK NATIONAL ASSOCIATION

\$	1,675,000	08/08/2025 - 01/26/2026	BBB+	Baa1	BBB+
----	-----------	-------------------------	------	------	------

During October 2023, Moody's and Fitch downgraded Keybank by one notch. The downgrade reflects the agencies' view that a higher-for-longer rate environment is likely to constrain profitability at Keybank more than for other banks of similar size. In addition, Keybank has a lower-than-average capital ratio on a proforma basis when adjusted for unrealized losses on available-for-sale securities. Due to the downgrade by both agencies, the three Keybank securities held within the portfolio fell below the minimum credit quality requirements of the Investment Policy. The Treasurer reviewed the position and recommended the securities be held for the short-term. The Treasurer presented his recommendation to the Chief Executive Officer who concurred. During June 2024, one of three Keybank securities was matured.
