¹ M2 Expenditure Reports and PMPs are under review and anticipated to be presented to the TOC in June 2025.

² 14 local jurisdictions update their PMPs on odd-numbered fiscal years, while 21 local jurisdictions update their PMPs on even-numbered fiscal years.

³ The City of Buena Park and the City of Orange submitted the required documentation to satisfy M2 eligibility submittal requirements this cycle; however, they are currently ineligible to receive net M2 revenues due to a previous and separate Board action. Staff is recommending the acceptance of the M2 eligibility verification documents submitted by the local agency as a receive and file action. This will not modify their existing M2 ineligible status but will be helpful in ensuring and maintaining timely M2 compliance once the Board ultimately approves to return them to an eligible status.

⁴ Maintenance of effort is based on a three-year average of discretionary fund expenditures for transportation purposes prior to 1990, plus adjustments permitted by the M2 Ordinance No. 3. However, Orange County Public Works and their predecessor agencies did not and do not use discretionary funds for transportation purposes. The sources of their transportation funds have been various restricted or partially restricted funds (e.g., HUTA, federal grants, assessment districts, developer impact fees, community facilities districts, Subdivision Map Act Highway, and bridge fees etc.). It should be noted that about 40 percent of the HUTA revenues that come to Orange County local jurisdictions go to the County.
