Endowment Pool - Invested for long-term growth and appreciation across multiple investment managers. It seeks to preserve the purchasing power of assets over an indefinite time horizon through long-term investment opportunities, while providing a relatively predictable and stable stream of distributions that keeps pace with inflation.

Social Impact Endowment Pool - Invested in a diversified pool of equities and fixed income aiming to offer capital growth for long-term grantmaking. It seeks to preserve the purchasing power of assets over an indefinite time horizon by following a sustainable investing approach that combines rigorous financial, environmental, social and governance (ESG) analysis, while providing a relatively predictable and stable stream of distributions that keeps pace with inflation.

Conservative Balanced Pool - Invested to strike a balance between growth and liquidity by combining current income with an opportunity for moderate capital appreciation. It seeks to offer diversified exposure to fixed income with maturities from 1-5 years as well as the entire U.S. equity market for purposes of grantmaking over an intermediate horizon.

Short Duration Bond Pool - Invested to offer diversified exposure to fixed income with maturities from one to five years for the purposes of grants over a near-term one to four year horizon.

Capital Preservation Pool - Invested to meet the needs of funds with short-term grant objectives. It seeks to preserve principal and provide liquidity and working funds for present and future needs through investment in high-quality, short-term fixed income and cash instruments.
